To Whom It May Concern,

I am pleased to write this letter of recommendation for Savannah Shiales, a dedicated student at Laniteio Lyceum's Athletic Department and a key player on our girls' volleyball team. As her coach for the past two years, and having known her for three years prior, I can confidently speak to her abilities and character.

Savannah is a hard-working and passionate athlete, whose team spirit and leadership have made her an essential part of our volleyball program. As the captain of our team, she leads by example, consistently giving her best effort during games and practices. Her communication skills with teammates are excellent, fostering a positive and cohesive team environment.

Savannah excels in all aspects of the game. She handles receptions with great skill, delivers powerful and efficient attacks, and serves with precision. Her contributions on and off the court make her a valuable player and a role model for younger athletes.

It has been a privilege to coach Savannah, and I have no doubt that her dedication, skills, and leadership will make her a great asset to any future team or program.

Sincerely,

Myrto Pouangare
